Does Your Child Require Any Regular Medications, Have Any Behavioral Or Physical Concerns Or Require Any Special Considerations? Please Describe Here: _____

We are excited to offer an extension of our school year program for a second summer. Our beautiful classroom offers amazing natural light and many fun, hands-on experiences. Our school is surrounded by hiking trails and a frog pond for hours of nature exploration. Throughout the summer, our caring staff will welcome guest speakers to highlight themes. Splash days will also be *sprinkled* in throughout the summer so bathing suits, towels and water shoes will be a must!

Space is limited and we encourage you to register early. Complete and return this registration form along with a non refundable deposit of one week's camp tuition to: Timson Hill Preschool, P.O. Box 149, Williamsville, VT 05362

Once your registration forms and deposit have been received, we will mail you a confirmation packet along with any additional forms we need. All forms and the balance due for each camp week are due on the first day of that camp.
